LIGHT A810

DESIGN ALVAR AALTO 1959

artek

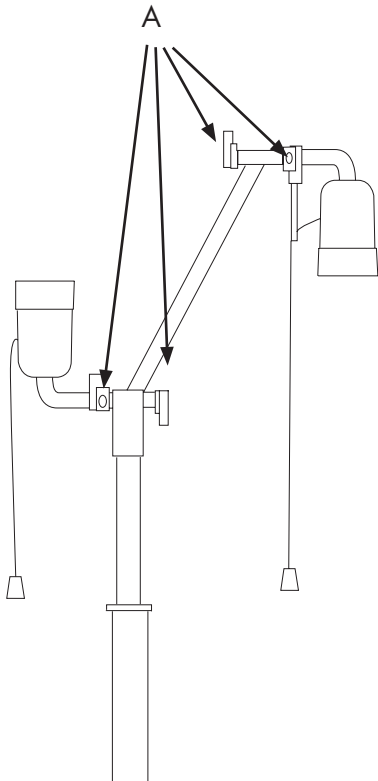

ASSEMBLY

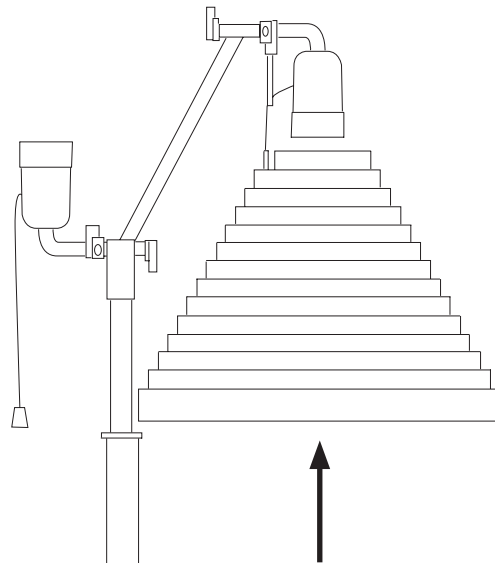

1. Loosen the attachment screws A (do not remove)
2. Lift the lower shade up on its place. Tighten the attachment screws. Be careful not to drop the shade.
3. Lower the upper shade on it's place. Tighten the attachment screws.

NOTE: The shaders are identical. The allen key is attached to the stand.
