FINITURE
FINISHES

Il legno, materiale nobile e naturale, viene declinato da Giorgetti in prodotti unici, lavorato con passione artigiana che le deriva da una lunga tradizione. Le diverse laccature e lucidature permettono di diversificare e di arricchire il suo utilizzo. Il seguente prospetto riassuntivo permette di conoscere le finiture disponibili per i prodotti a catalogo. Il prezzo sarà maggiorato dell'8% per prodotti con tinta a campione e del 10% per prodotti con laccatura a campione (colore standard).

Giorgetti employs the wood, precious and natural material, to create inique products and it is worked with craftsman passion that comes from a long tradition. The different lacquering and polishing diversify and enrich its use. The following prospectus gives the type of finishes available for the products in the catalogue. The price will be increased by 8% for products manufactured according to colour sample and by 10% for products manufactured according to lacquering sample (standard colour).

AVVERTENZE
REMARKS

Le immagini relative alle finiture riportano la gamma completa dei colori disponibili. Occorre comunque precisare che, trattandosi di una stampa, i colori potrebbero essere leggermente alterati e non corrispondere all'esatta resa che avrebbero sul prodotto reale.

The images relating to product finishing show the complete range of colours available. However, since these are printed images, the colours could be slightly different and not correspond exactly to those of the actual product.
