

Panthea Portable

The fixture lights up any space harmoniously without glare. The portable table lamp is available in opal, and the transparency of the shade and the reflection of the downward light on the inner side of the shade provides a gentle light and subtle ambience.

Verner Panton

Verner Panton (1926-1998) is famous for his inspirational and colorful personality. A unique person with a special sense for color, shape, light function and space. Over the course of his career, Panton introduced a series of modern lamps with personalities unlike any of his Scandinavian contemporaries.
