TENSE LOW TABLE

Designed by Piergiorgio Cazzaniga, Michele Cazzaniga

“To design by simplifying, to extrapolate the essence”.

This was the genesis of Tense by Piergiorgio and Michele Cazzaniga. Tense represents the core, the primary concept of the table idea, so unique and minimal to adapt to many different spaces, both residential and contract.

Small, discreet, essential: Tense Low table combines practicality with a contemporary design, typical of the Tense family. Available in a wide range of dimensions and finishes - from resin, to wood, stone and marble -, Tense Low Table fits into both residential and contract contexts. Perfect in modern but also classic living rooms, it adapts to receptions, lounge areas and waiting rooms.

Family of rectangular and square coffee tables made with the same materials and in the same finishes of the tables Tense, Tense Material and Tense Material Intarsia. Heights 45 / 35 cm.
