

PORTOFINO

Valerio Sommella

Portofino is a slim, sleek and lightweight table lamp. Portable and rechargeable. A contemporary and versatile design. The result of a process guided by the redefinition of product architecture, the redistribution of components and their optimisation in terms of volume and efficiency. Made of injection-moulded polycarbonate, and in a more domestic version with a marble base in different essences.

PORTOFINO MARBLE

LAMPING

Source	battery
Total power	1,8W
Emission	diffused, indirect
Switching	on-off
Tension	5V
Color temperature	2700K
Luminous flux	190lm
Typ CRI	90
IP class	20
Dimensions	ø10x30
Materials	plastic+marble
Notes	rechargeable, 5 hours battery life, 4,5 hours charge time (light off)

Codes

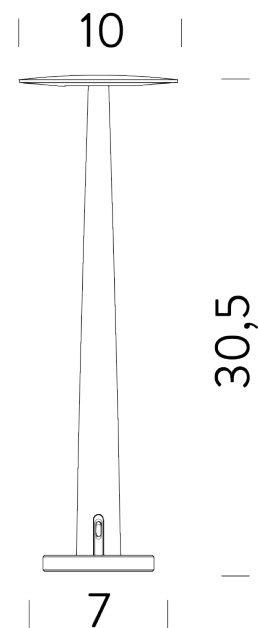

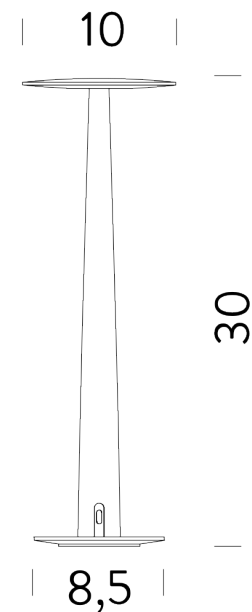

POR LWW 12
POR LNN 12
POR LBB 12
POR LVV 12

Structure

matte white + carrara marble
matte black + black marquinia
blue portofino + blue marble
emerald green + green alpi
